## 144 Red Angus Bulls

### Sale Day Phones:

**Chuck Feddes** ..... 406-581-8826  
**Craig DeBoer** ..... 406-570-3304  
**Jake Feddes** ..... 406-581-8157  
**Ryan Clark** ..... 406-581-0868  
**Keith Hickle** ..... 253-405-7181  
**Travis Kindred** ..... 406-580-3124

### Auctioneer:

Kyle Shobe ..... 406-366-0472

### Sale Location:

2.7 miles south of Manhattan on Churchill Road at Feddes Red Angus.

### Association Representatives:

Steve Koester, President.....Red Angus Association of America  
Kay Klompien, Director.....Red Angus Association of America  
Chuck Feddes, Director .....Red Angus Association of America  
Tina Ketchum, President .....Montana Red Angus Association  
Luke Larson, Vice President.....Montana Red Angus Association

### Livestock Publication Representatives:

**Nolan Woodruff**, Red Angus Assn. of America ..... 805-861-0996  
**Clint Berry**, Superior Livestock ..... 417-844-1009  
**Jared Murnin**, Western Ag Reporter ..... 406-321-1542  
**Brady Williams**, Tri-State Livestock News ..... 406-938-3071

### Online Bidding:

Sale broadcast live on Superior Livestock Auction and DV Auction.  
Details on page 5.

### Sale Order:

Cattle will sell in catalog order.

### Cattle Inspection:

We welcome your visits and would be happy to show the bulls as well as the cowherd. The bulls will be at Feddes Red Angus just 2.7 miles south of Manhattan.

### Herd Health:

Our program includes Vision 8, Express 5 PHM at branding and weaning, 2 shots of Fusoguard, Cleanup and Valbazen in the fall.

### Calving-Ease Recommendations:

\*\*\* Recommended for heifers and cows  
\*\* Recommended for large heifers and cows  
\* Recommended for cows only

### Bull Ration:

We developed our bulls together on the ranch on a high-roughage ration to allow them to show their genetic potential and develop them for longevity.

### Transportation:

Bozeman is served by major airlines. Jet service daily north, south, east and west.

### Accommodations:

Broken Spur, Three Forks ..... 1-888-354-3048  
Fort Three Forks Motel, Three Forks..... 1-800-477-5690  
Super 8, Belgrade..... 1-800-800-8000  
Holiday Inn Express, Belgrade..... 1-800-542-6791

# WELCOME

**Chuck and Carol Feddes Family**

**Craig and Taryn DeBoer, Traig, Cayl and Trac**

Welcome to our 2023 Production Sale!!

We want to express our appreciation to all of our friends and customers for your support of our program throughout the years. We really stress maternal traits in our herds without sacrificing performance with calving ease. We are family owned and operated ranches breeding Red Angus cattle since 1991.

We utilize extensive AI and embryo transfer programs to provide you with the most advanced and very best genetics possible. We manage the cattle ourselves with limited hired help, so we can represent our cattle from a day-to-day and hands on perspective. We don't chase fads! We breed for "BALANCED TRAIT SELECTION". It looks like the cattle market could be really good for the next few years, so it's vital to watch the maternal traits. We work very hard on our cow herds and would be happy to show them to anyone. We want medium frame cows with great udders and feet, and lots of body with quiet dispositions.

Our cattle run from 4,000 feet to high mountain grass at 8,000 feet in the summer. We use the most advanced technology available – DNA testing and carcass evaluation, along with a strict culling program to give you, the customer the most accurate information possible. EPDs will change a little on some of the cattle between the printing of the catalog and sale time due to weekly runs of the BOLT system.

Our drought conditions have lessened, but there are still many areas that are experiencing serious drought. Our pastures have ranged from good conditions to very poor feed. With this in mind, we try to raise the kind of cattle that thrive in many conditions. We would suggest in looking for a bull, to use all the tools ranging from personal data to EPDs and ratios.

The sires that we have represented in the sale are genetics that we feel enhance the Red Angus breed as a whole. There will be many outstanding sons from all sire groups and we hope that you will be able to find the genetics that you are looking for.

Videos will be available through links on our websites: [feddesredangus.com](http://feddesredangus.com) and [ctredangus.com](http://ctredangus.com). We will have Superior Livestock and DV Auction broadcasting our sale online if you are unable to attend in person.

Our families have busy lifestyle in the ranching and farming world. We wouldn't want it any other way and feel lucky to be able to live the life that we do. We look forward to seeing you at the sale or hope you stop by the ranches sometime and say hi.

*Blessings from the Feddes and DeBoer Families*

**Cooperators Keith and Brook Hickle, and sons Clay, Cole and Carson  
Rocking Bar H Ranch, Auburn, WA**  
Rocking Bar H Ranch will use RBH prefix on their cattle

## TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes and his decision on such matters shall be final.
3. Any announcement from the block on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes the buyer's risk as soon as sold. Cattle will be cared for free of charge until April 10. After that feed cost will be \$3.50 per day until delivery.
6. Retained Interest: All bulls will sell half interest and full possession. The buyer receives full possession and full salvage value. The seller has the right to collect semen at the buyer's convenience, and the seller's cost. If the buyer wishes to share in the collection costs and revenues, that is his/her choice.
7. Guarantee: All bulls are guaranteed for soundness and fertility for the first breeding season. If for some reason you are not satisfied, we will arrange for a replacement bull if available. If a replacement is not available, you will receive credit at the next Feddes/C-T sale for the purchase price of the bull minus the salvage value. Injured bulls must be diagnosed by a veterinarian. Please notify us by Oct. 1 of the year of purchase, should an injury occur and prior to the bull being sold. Insurance will be available sale day. We recommend insurance on your purchases.
8. Everyone attending the sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
9. Free delivery in Montana and to central points in adjoining states. Deliveries to points beyond will be at cost basis. We will help arrange deliveries to keep the cost most affordable. \$100 discount for bulls picked up sale day.
10. A certificate of registry and transfer will be furnished for each animal sold as a registered animal after settlement has been made.
11. The above terms and conditions shall constitute a contract between buyer and seller of each animal.

***These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.***

# PREMIUM CALF VALUE

*Easy as 1-2-3*

## Want MORE for your steers?

**THAT'S EASY ...**

1. Purchase Top Dollar Angus-qualified bulls.
2. Raise Top Dollar Angus-qualified feeder calves.
3. Pocket MORE per head!

**THE RESULTS:** Better performance and a documented \$84.26-per-head advantage as fed cattle!

Steers & Heifers	Top Dollar Angus		Difference
	Qualified	Non-Qualified	
Head Count	1,801	4,448	
Percentage of Head Count	29%	71%	
Average Daily Gain	4.28	3.99	0.29
Hot Carcass Weight	935	888	47
Marbling	504	471	33
Ribeye Area	15.4	15.2	0.2
Fat Thickness	0.66	0.61	0.05
<b>Value Per Head</b>	<b>\$1,626.13</b>	<b>\$1,541.86</b>	<b>\$84.26</b>

## RED ANGUS GUIDE TO EPDS

[RedAngus.org](http://RedAngus.org)

**ProS**..... Profitability and Sustainability is an all-purpose index that predicts average economic differences in all segments in the beef supply chain. This index is a combination of the breeding objectives modeled in the HerdBuilder and GridMaster selection indexes. In this index, replacement heifers are retained from within the herd and all remaining progeny are fed out to slaughter and sold on a quality-based grid. Traits included in this index include calving ease, growth, HPG, STAY, Mature Weight, Dry Matter Intake and carcass traits. The resulting index is expressed in dollars per head born (Index/High Value).

**HB** ..... HerdBuilder is a maternal selection index that predicts the economic differences of animals for traits that are important from conception through weaning. Expressed as dollars per head born, HB is calculated based on the scenario that bulls are mated to heifers and cows, replacement heifers are retained and all remaining progeny are marketed at weaning. Traits included in the HB index include Calving Ease Direct, Calving Ease Maternal, Weaning Weight, Milk, Mature Weight, Heifer Pregnancy and Stayability (Index/High Value).

**GM**..... GridMaster is a selection index that predicts the average economic difference of non-replacement calves through the post-weaning phase of production. GM places selection pressure on growth, feedyard performance and carcass traits. Expressed as dollars per head born, GM is calculated based on the scenario that progeny are fed out to slaughter and marketed on a quality-based carcass grid. Traits included in GM include Average Daily Gain, Carcass Weight, Dry Matter Intake, Marbling, Back Fat and Rib Eye Area (Index/High Value).

**CED**..... Calving Ease Direct predicts differences in the percent of calves born unassisted out of 2-year-old dams. (Percent/High Value)

**BW** ..... Birth Weight predicts differences in actual birth weight of progeny. (Pounds/Low Value)

**WW** ..... Weaning Weight predicts differences in 205-day weaning weight. (Pounds/High Value)

**YW** ..... Yearling Weight predicts differences in 365-day yearling weight. (Pounds/High Value)

**ADG** ..... Average Daily Gain predicts differences in weight gain between 205 and 365 days of age. (Pounds/High Value)

**DMI** ..... Dry Matter Intake predicts differences in daily feed intake as measured in a feedlot during the post-weaning period. (Pounds/Low Value)

**MILK** ..... Milk predicts differences in weaning weight attributed to the milking ability of the animal's daughters. (Pounds/High Value)

**ME** ..... Maintenance Energy predicts the difference in maintenance energy requirements. (Mcal per Month/Low Value)

**HPG** ..... Heifer Pregnancy predicts differences in the percent of daughters who are able to conceive and calve at 2 years of age following exposure to breeding. (Percent/High Value)

**CEM** ..... Calving Ease Maternal predicts differences in the percent of daughters who are able to calve unassisted as 2-year-old heifers. (Percent/High Value)

**STAY**..... Stayability predicts differences in the ability of an animals' retained daughters to remain productive in the herd – calve every year – through 6 years of age. (Percent/High Value)

**MARB**.... Marbling predicts differences in marbling score – amount of intramuscular fat measured at the 13th rib. (Marbling Score Units/High Value)

**YG** ..... Yield Grade predicts differences in USDA Yield Grade, which is calculated using CW, REA and Fat. (Yield Grade Units/Low Value)

**CW** ..... Carcass Weight predicts differences in actual hot carcass weight. (Pounds/High Value)

**REA** ..... Ribeye Area predicts differences in square inches of ribeye area measured at the 13th rib. (Square Inches/High Value)

**FAT** ..... Fat predicts differences in the depth of backfat measured between the 12th and 13th ribs. (Inches/Low Value)

MOBILE BIDDING PHONE BID LINE VIDEO PREVIEWS AUCTION CLERKING  
bid.superiorlivestock.com | 800.422.2117

## HOW TO PARTICIPATE AS AN ABSENTEE BUYER

# 1-800-422-2117

We have made preparations to bid and buy your Red Angus Cattle through Superior Productions' service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at [www.superiorlivestock.com](http://www.superiorlivestock.com).

### VIEWING THE AUCTION

The auction will be broadcast online at [Bid.SuperiorLivestock.com](http://Bid.SuperiorLivestock.com) and the pre-recorded videos will also be hosted there. You do not need an account just to watch the auction or view videos of the sale offering.

### ONLINE BIDDING

Go to [Bid.SuperiorLivestock.com](http://Bid.SuperiorLivestock.com) for Superior's new online bidding platform. If you have not registered there before you will need to create an account. The first time you register an account you will receive a confirmation e-mail that you must click on. Once you have completed this, select the auction you would like to bid on and click the "Request a Buyer Number" button. The first time you request a buyer number you will be sent a confirmation code via text. Enter that code in the login portal and you will receive a buyer number. This 2-step verification process will only have to be done once and in the future you will be able to simply login and request a buyer number and receive it instantly for any auction. Once you have successfully registered and received a buyer number it will show your name and buyer number on both the video preview page and the online bidding page when you are logged in. If you have an account at LiveAuctions.tv you may skip the registration process and use those login credentials to request a buyer number as LiveAuctions is a division of Superior Livestock. For more details on registering an account and also how to bid, you may watch a tutorial at [Bid.SuperiorLivestock.com/how-it-works](http://Bid.SuperiorLivestock.com/how-it-works).

### TURN IN BIDS OVER THE PHONE

This is Superior's traditional method of buying cattle and is the suggested process for anybody who does not have consistent, high-speed internet. You still must register an account at [Bid.SuperiorLivestock.com](http://Bid.SuperiorLivestock.com) and request a buyer number. Once you receive a buyer number you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on. A Superior Livestock representative will be with you on the phone and will assist you in placing bids.

A calving ease bull with lots of power, he left us with a powerful set of bulls on this first calf crop. They are dark cherry red and loaded with middle and performance. He comes from a powerful and productive cow family. I think he is one of the most exciting young sires in the breed. Owned with Overmiller Red Angus and Niobrara Red Angus.

This is the second set of bulls we have offered on Treadstone. They are very balanced both phenotypically and in their EPD profile. He specializes in growth, carcass and maternal traits. We have primarily used him on heifers. We think his daughters will be productive, trouble-free cows that the Red Angus breed is so well known for.

This another sire from black genetics and his EPDs suffer because of it. Reports of his daughters in production are outstanding. He sires bulls with extra stoutness and heifers that are in high demand. His daughters top many sales. Feddes Blockana C31-156 sold for a record price at the Reno Bet on Red sale in 2021 for \$30,000. We plan to continue to use 137E and a son or 2 this year and beyond. We think the breed and industry can use the soundness, good feet, structure and productive daughters with excellent udders that 137E brings to the table.

Seneca is an older bull that we used to add predictability. He is consistently siring easy-fleshing cattle with eye appeal, performance and calving ease. He has stood the test of time – you can buy his sons with confidence.

## SELECT OUR BULLS WITH EVEN MORE CONFIDENCE

We believe in providing our customers with the most accurate information possible. DNA profiling has advanced to the point that when added to a bull's pedigree and his own individual data, the reliability of his EPDs increases significantly. Therefore, to better serve our customers, all of the bulls in the sale have genomic-enhanced EPDs through DNA 50K testing.

The table below shows the estimated number of progeny the DNA information adds to the reliability of the EPDs. For the growth and carcass traits, the higher reliability is equivalent to almost a complete calf crop of steer calves. For a maternal trait like Stayability, it's equivalent to getting information on at least three to four heifer calf-crops.

The genomic-enhanced EPDs are made possible through a partnership between the Red Angus Association of America and GeneSeek. Bottom line: we've made the investment so you can buy bulls from Feddes/C-T Red Angus with the highest possible confidence.

**FEDDES**  
FAMILY MEATS

*Raising Beef in the Valley for 95 yrs!*

**Your only source for  
local Montana meats!**

**BEEF, LAMB, PORK,  
GOAT & BISON**

*"From Our Gate to Your Plate!"*

**AMSTERDAM**  
Meat Shop

*Family owned and operated for 75 years*

On July 1, 2020, the Feddes Family purchased the Amsterdam Meat Shop and started Feddes Family Meats, Inc. For several years, Jake has wanted to keep our steers, feed them and market the meat. We never intended to own a state-inspected processing facility, but the Lord works in mysterious ways.

Jake was at the shop inquiring about processing dates and the manager said, "Just buy the place, then you can run as many through as you want."

Six weeks later, we closed on the shop. Since that time, we have added eight employees and doubled processing capacity. We opened a retail space to sell local beef, pork, lamb, goat and bison. We have also started supplying three different restaurants in Bozeman.

We believe that this endeavor affords us the opportunity to look at carcasses from herd mates of the bulls in this catalog and gives us visual data in regard to ribeye size and marbling as well as actual carcass weight and yield grade data. This additional data enables us to look at what genetics are providing superior carcasses as well as not losing the maternal traits that Feddes & C-T Red Angus are known for.

We can truly be the place where "Performance Meets Maternal."

We are very excited about this new endeavor. If any of you need processing done, have finished cattle or need any assistance in these areas, feel free to give Jake a call to chat about it. We look forward to where this added business can bring our operations in the future. If you're dining in Bozeman look for the Feddes Family Meats logo!

- A powerful, cherry red, wide-backed Stockmarket son with the "Herd Bull" look! He is hard to find any holes in with extra calving ease, lots of growth, and exceptional carcass. This Stockmarket sire group has really come to the top and 2119 may be in the lead. His personal performance is solid with a 91 BR, 105 WR, 105 YR, 106 IMF ratio, 103 REA ratio. Un-matched EPDs with 4 traits top of 1% and 12 traits top 18% of the breed. Dam is a beautiful Red Rock 5-year-old cow stemming, from one of the most proven cow families in the breed "The Blockanas", MPPA 100, MGD MPPA 104. She is cherry red with moderate frame, extra volume and excellent foot and udder structure. It is very hard to put this many pieces of the puzzle together in the world of genetics, so DON'T miss a look at the C-T Markets Up 2119.

- Reputation has received as much interest as any bull in the breed over the last 2 years with semen averaging \$900 per straw and still not being available on the open market. You will see why he has garnered so much attention throughout this offering. This bull encompasses everything we are trying to do in our herd. Balance is the key word for us, not extreme. 15 traits in the top 32% of the breed. Top-end growth with 4% WW and 7% YW, while still holding a 24% with semen averaging \$900 per straw and still not being available on the open market. When you combine that with a 116 IMF ratio you, see what this bull can do. His dam is one of the top 3-year-olds on the ranch with a 106 MPPA. His granddam, Feddes Blockana C72 is one of our top donors. She combines as much spring of rib as you can put in one with perfect feet and an outstanding udder. 2310 is backed by 8 generations of cows with MPPAs of 100 or higher and only one of those 8 cows had 100, the rest are 102 to 106. The cow power and maternal traits in this bull are outstanding. This bull has true herd bull potential.

- This Reputation son covers all the bases very well. He has a very correct phenotype with a little extra frame and length. Dark cherry red with a sound foot and leg set. He balances calving ease growth, and carcass exceptionally well. Don't miss the 113 WR, 112 YR, all with 108 IMF ratio and 101 REA ratio. 2010 has a strong set of data with 8 traits in the top 35%. Dam is an eye-catching 3-year-old Domain cow from the very proven Miss Pan cow family, MPPA 105. This Reputation sire group has really risen to the top. They seem to be dark red cattle with a very consistent phenotype with acceptable calving ease, growth and carcass.

Lot 3 with his dam this summer

# YEARLING RED ANGUS BULLS

Lot 4

Feddes Blockana 863, MGD to Lot 4

progeny topped sales all over the country. His dam has a nearly flawless udder and combine that with outstanding feet. The cows behind this bull are all some of the very top cows ever produced at Feddes Red Angus, they include the Lakina, Larkaba and Blockana families. These three cow families have made names for themselves around the world and 3 of the very top to ever walk these pastures. This bull will add growth and carcass while not sacrificing calving ease or maternal traits and should leave behind incredible females.

• We are really excited about this bull and plan on using him in our own herd heavily. 74 lb. BW to a 114 WR, 119 YR, and a 123 REAR. 11 traits in the top 25% of the breed. Top growth, carcass and maternal traits. His dam is a complete outcross in the breed coming from MR Coach 1296. This may very well be our favorite Coach daughter in the herd with nearly perfect feet, outstanding udder, beautiful front end and extra spring of rib. She is just the way we like them. This bull goes back to Feddes Blockana 863 just like Lot 4. There's a common theme on these first lots - cows, cows, cows. The mama cow is what drives things here and this bull has 5 generations of cows with MPPAs of 101 or higher. His dam, on her first try, earned a 106 MPPA and we are expecting exciting things from this young female in the future. One of the most exciting bulls in the sale.

Lot 6

2021 NILE Heifer, paternal sister to Lot 6's dam

bull goes back to Feddes Blockana 863 just like Lot 4. There's a common theme on these first lots - cows, cows, cows. The mama cow is what drives things here and this bull has 5 generations of cows with MPPAs of 101 or higher. His dam, on her first try, earned a 106 MPPA and we are expecting exciting things from this young female in the future. One of the most exciting bulls in the sale.

- This Reputation son comes with balance, eye appeal, and plenty of carcass data. He starts with a nice 80 lb. BW and goes on to a 724 lb. WW with 104 YW then keeps going to the 101 YR. He adds extra carcass with a 116 IMF ratio and a 103 REA ratio. Dam is an eye-catching 6 YO. Silverbow cow from the very proven Chris cow family. She is a moderate-framed cow with extra volume and a nice udder and foot set! MPPA 100. If you're looking for a Reputation son with a good look, strong EPDs and ratios from a proven cow family, don't miss this one!!

- We'd like to say we are surprised to see another Reputation at the top of the sale order, but that would be a lie. Our favorite thing about this sire group is the consistency all the way through. A bull that started out at 78 lbs. and grew to a 111 WR, 101 YR and a 112 REAR. Top growth numbers on a bull that will add pounds to your calves. His dam, Feddes Lakina Y17-025 is one of our very favorite Merlin 018A daughters on the ranch with an MPPA of 104. His granddam, Feddes Lakina Y17 is one of our top donors with an MPPA of 111 and 4 more generations behind her with over 100 MPPA. His great granddam is 14 years old, has a son in this sale she raised and is currently getting flushed, has an MPPA of 105 and a 365-day calving interval on 12 calves! We can't say enough about the cow family behind this bull.

- Take a look at this wide-backed, heavy-muscled Stockmarket son with acceptable calving ease, big-time performance and lots of carcass. This bull's WW ratio and YW ratio are right at the top with 112 WR and 119 YR, also big-time carcass with a 16-inch REA and 127 ratios. This Stockmarket sire group has been very consistent and well definitely stand out on sale day. 2096 is a maternal brother to our upcoming herd sire, C-T Reputation 0094. Dam is a 4-year-old One of a Kind 352 daughter by our proven C-T Linsey 0964 donor cow. MPPA 104. If you're in the "Market" for a Stockmarket son with extra frame, length, muscle and carcass from a proven cow family, have a look!

- If you are looking for a bull with calving ease and huge growth, here he is. 25% CED, 1% WW & 1% YW. This is backed up by a 74 lb. BW, 117 WR, 117 YR and 112 REAR. 15 traits in the top 29% of the breed screams balance. His dam hit it out of the park on her first try, earning her a MPPA of 107. His granddam, Feddes Lakina D5-802 is the dam of Lot 10. Growth, carcass and maternal is what this bull offers and it shows in his pedigree.

- If you are looking for a bull to build a herd around, here he is
- Top Resource son out of the most phenotypically correct cow ever in this herd
- At 11 yrs. old, dam was a highlight in the Big Sky Elite Sale
- Dam was headed for the donor pen until she had twins
- Dam has a perfect feet and udder
- Mass, muscle and bone in a beautiful package - possibly the top female maker in the sale
- CE \*
